CHAIRMAN'S MESSAGE

We, at SPARSH, are a passion-driven healthcare organisation. We are fully equipped with state-of-the-art facilities and expertise to provide the best-in-class, comprehensive healthcare.

Our hospital is focused on the great Indian middle class. We ~~best~~ understand your needs and aspiration to get the healthcare. You seek the best of medical science without compromise. The service has to come on time, every time and in full. It should also come at an appropriate cost and in a transparent manner.

Our commitment is to provide you with this world-class healthcare. SPARSH comes with international recognition and reputation to handle complexity. We are very proud, as Indians, to match the best in the world and go a step beyond for the health of our community. With a reputation of having kept our promises in the past, we have now launched SPARSH Super Specialty Hospital with all specialties under one roof. Our objective is to be the "Destination for Complexities in Medical Science".

**Warm Regards,
Dr. Sharan Patil**
